

**MARLBORO PIT PASS SWEEPSTAKES  
MARLBORO GRAND PRIX OF MIAMI  
GARAGE TOUR  
GUEST SPEAKER: MARY MENDEZ  
Saturday, March 2  
12:30-2:00 pm**

Tour guests are picked up at the Marlboro Media Hospitality area and escorted through the IndyCar paddock. A race car is utilized for demonstration to discuss the technology involved. Guests see the cockpit up close and the adjustments a driver can make from inside the car. Guests learn about the different kinds of engines, chassis, and tires being used in competition. Rule changes and their impact are described. Guests observe the crews at work and may see engines being changed or the chassis being balanced on a weight platform. Guests are shown the official technical inspection area and learn about the chassis requirements. Guests are escorted into the hot pits during an IndyCar session. They are brought into a pit box where equipment and strategy is discussed. Guests may observe qualifying or pit stop practice as they watch the teams and drivers interact. Qualifying procedures are explained. Questions are encouraged throughout the tour from the guests.
